Thumper's Fluffy Tail

A
Touch-
and-Feel
Book

It was early.

But Thumper was wide awake.

He watched as a butterfly
fluttered by his fluffy white tail.

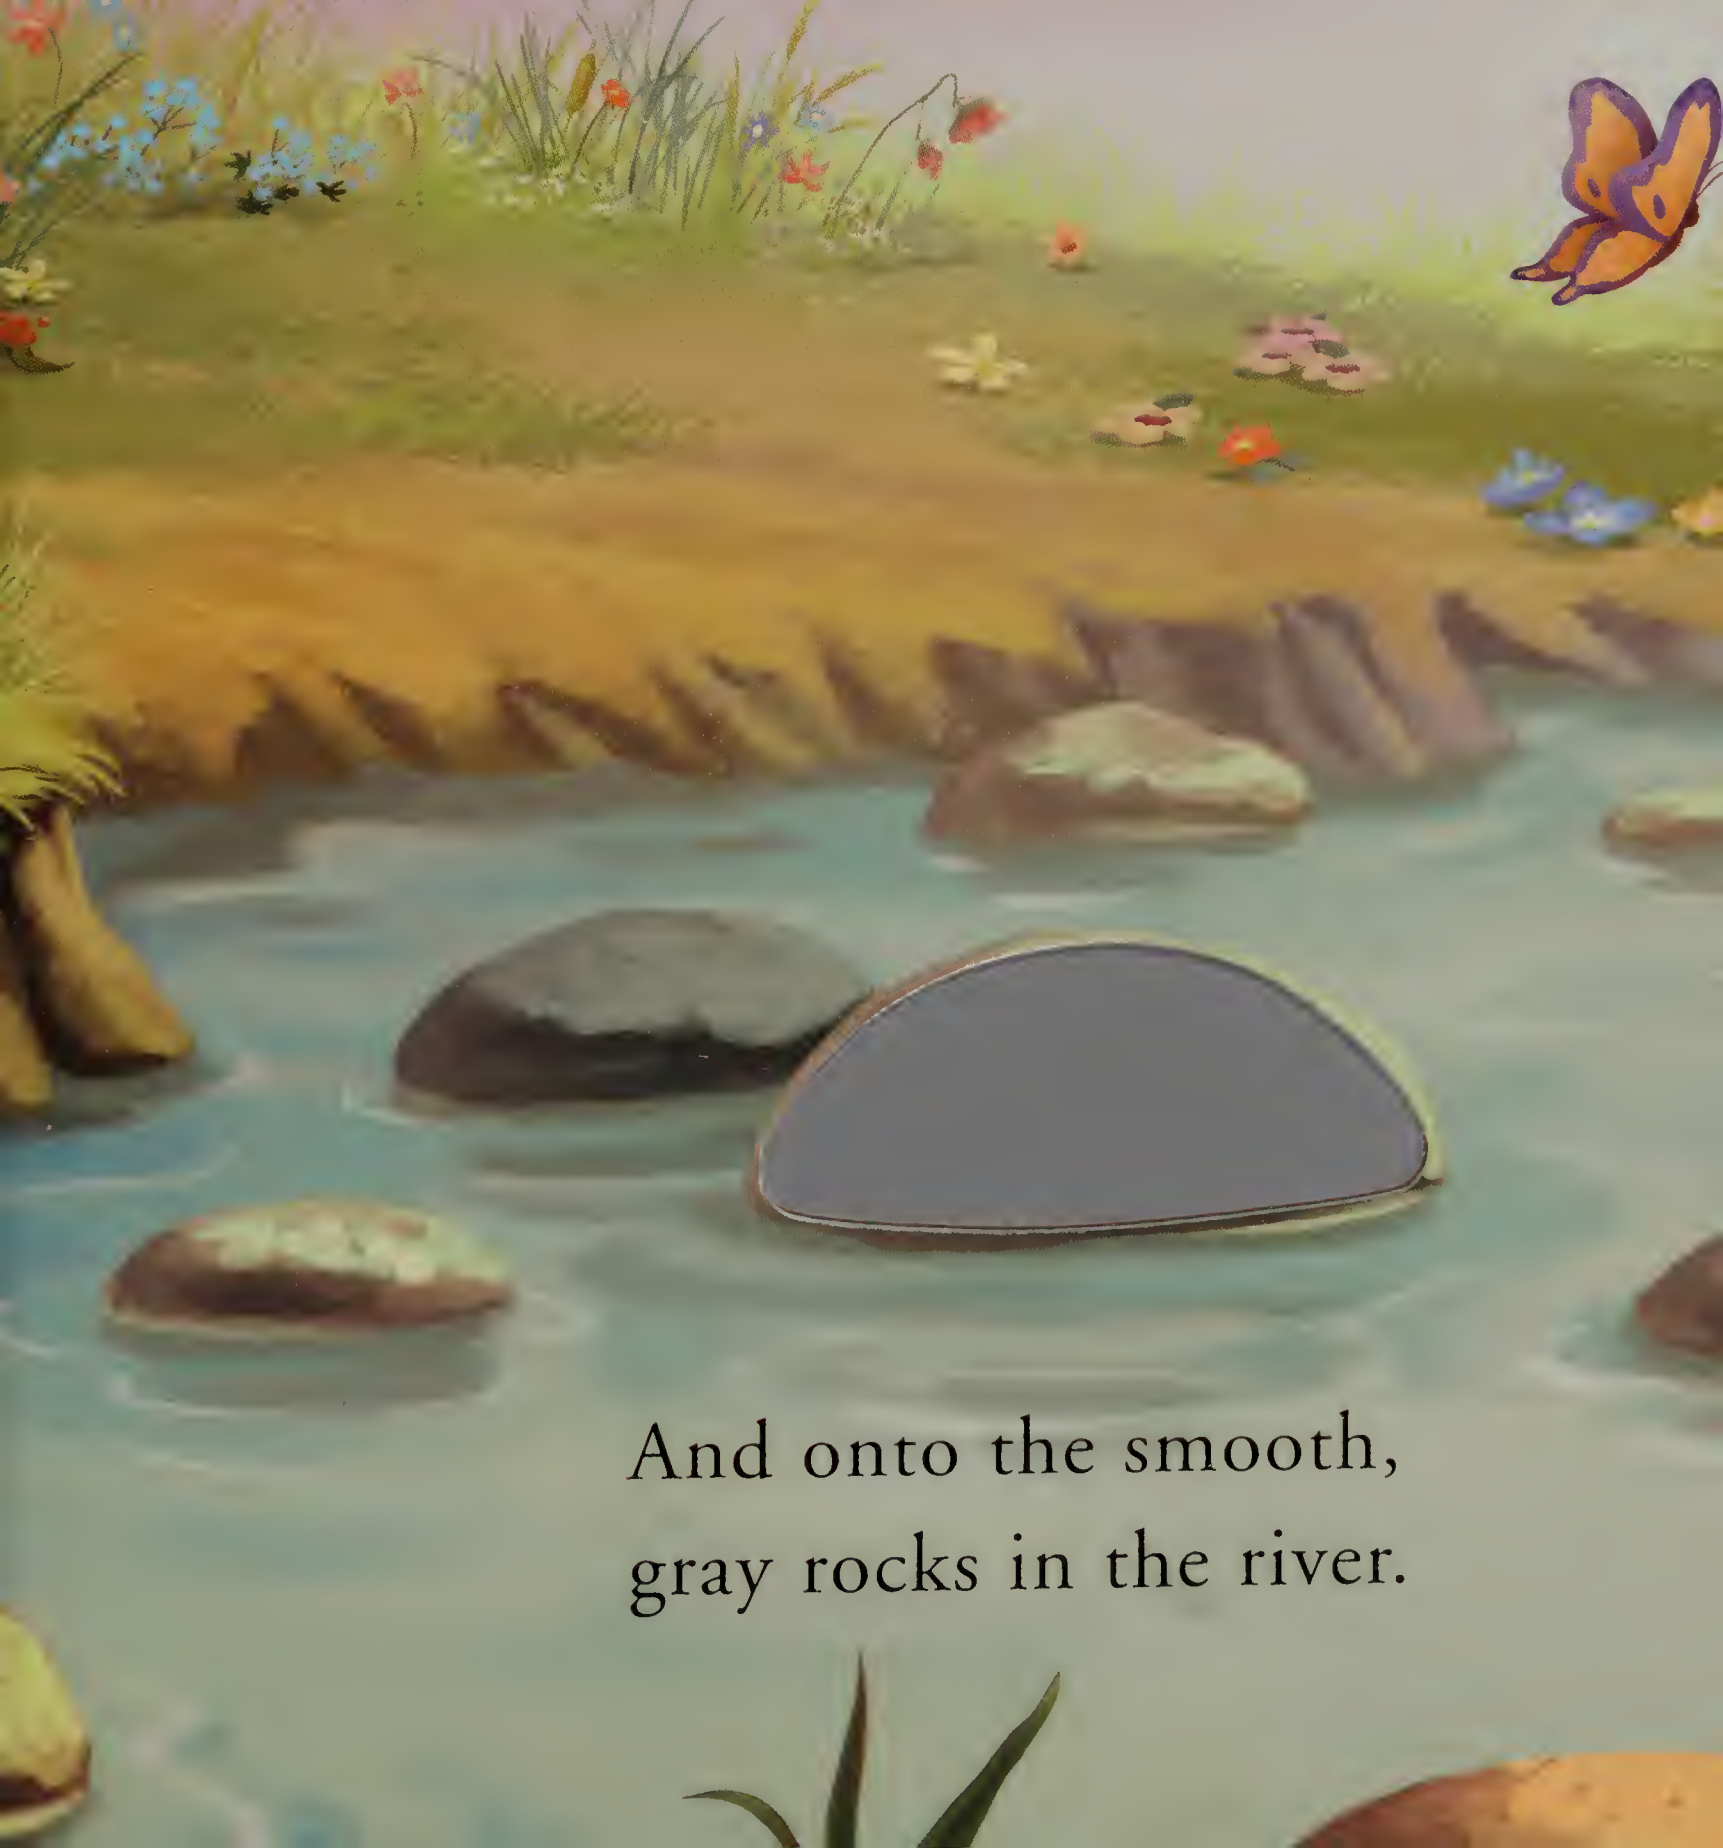

He followed it
through the springy,
green grass.

And onto the smooth,
gray rocks in the river.

Then he wriggled through
the rough, brown bark of a log.

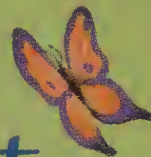

Finally, he caught up!
The butterfly tickled his soft fur.
Thumper's sisters giggled.
A day of fun had begun!
